Letter From Sale Managers:

In April we were visiting with Bud when he mentioned the possibility of selling his herd. We of course were sorry to hear this since we had come to know and respect Bud Johnson as a cowman, an avid supporter of Shorthorns and activities of the Texas Shorthorn Assn.

Bud is going to cut down on his farming operation as well as disperse his Shorthorns in order to semi-retire. Pauline, his wife, has been ill this spring and Bud feels the necessity to have more time to spend at home.

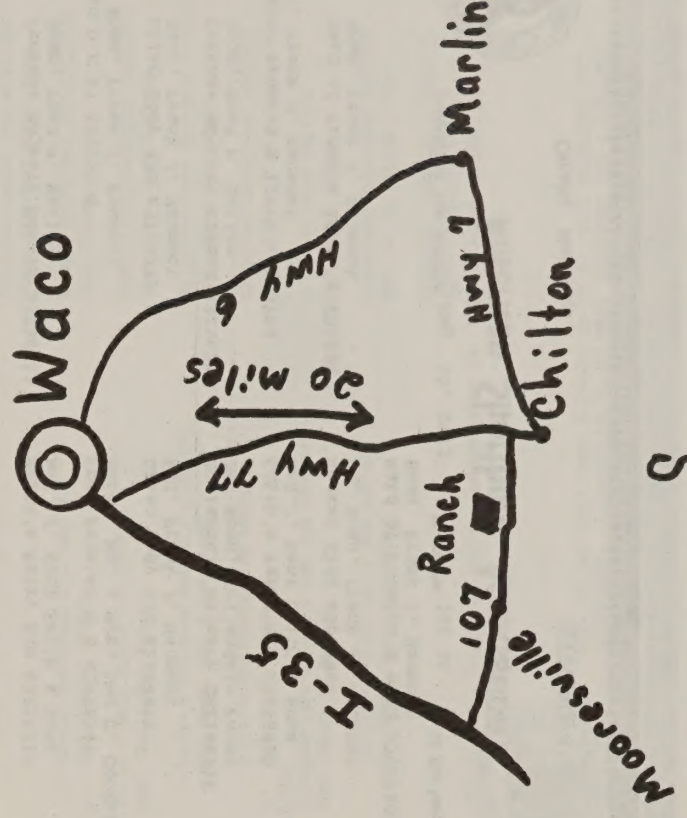

Bud has been breeding Shorthorn since 1962. In these 16 years he has used some of the top bloodlines of the breed. Bud's cattle have always been accepted by new and old Shorthorn breeders wherever they were sold.

Come to the sale, you will agree this is a top set of Shorthorn cattle.
